Please amend Figs. 1-6 as illustrated in red on the attached photocopies. Figs. 1-6 have been amended to add the label --PRIOR ART--.

REMARKS

Claim Rejections

Claims 1-12 are allowed.

Drawings

Applicant proposes to amended Figs. 1-6, as illustrated in red on the attached photocopies. In Figs. 1-6 it is proposed to add the label --PRIOR ART--. No "new matter" has been added to the original disclosure by the proposed amendments to these figures. It is believed the foregoing proposed amendments obviate the outstanding objections to the drawings. Approval of the proposed drawing changes is respectfully requested.

Abstract of the Disclosure

Applicant is submitting a substitute Abstract of the Disclosure for that originally filed with this application to more clearly describe the claimed invention. Entry of the substitute Abstract of the Disclosure is respectfully requested.

Amendments to Specification

As required by the Examiner to correct the formatting of the claims, a Substitute Specification is enclosed, along with a marked-up copy of the original specification indicating the changes made thereto by the Substitute Specification. The Specification has been amended to clarify that the venting structure (4) is shown in Figures 8-10, and that arrow "b" is shown in Figure 3. No "new matter" has been added to the original disclosure by the Substitute Specification. Entry of the Substitute Specification is respectfully requested.

Claim Amendments

By this Amendment, Applicant has amended claims 2, 7 and 12 to obviate the objections set forth in the outstanding Office Action. It is believed that the amended claims specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

Since claims 1-12 have been indicated as being allowed, no detailed discussion of the cited prior art references is believed to be necessary.

Summary

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,
